

# Art Smart

**Term 3, 2021**

# Materials List For Parents

**Materials to order online if you don't already have them. Please note if you already have these materials at home there is no need to buy them. Or if you would prefer to buy different brands at different places, please go ahead.**

## **Additional Materials** which will be required, other than what is in the basic kit

- Clay (white air dry) - **MAD** – air drying clay. This is one of the best air drying clays we have used, but if you're on a budget you can get the clay from the Art Shed and that's also fine.

If you run out of time to buy clay here's a recipe to make some: <https://mamapapabubba.com/2016/02/16/homemade-air-dry-modelling-clay-aka-baking-soda-clay/>

- Wooden Paint Palette that we are decorating. It needs to be wooden as it will be painted – Here are a few places you can get one

[Officeworks](#) or [Artshed](#) or [Art And Crafts Supplies](#)

If you'd prefer the kids can use a canvas instead to paint

- A4 simple picture frame, or plastic to paint on if you'd prefer
- Oil Pastels <https://www.artshedonline.com.au/mont-marte-oil-pastels-12-pieces/>
- Charcoal <https://www.artshedonline.com.au/generals-compressed-black-charcoal-set-4pc>
